OFFICE OF PETITIONS

Sir:

Petition to Accept Unintentionally Delayed Claim Under 35 USC § 120
Pursuant to 37 CFR § 1.78(a)(3)

Applicants hereby petition to permit amendment of Applicants' specification to include specific cross-reference to U. S. Patent Application Serial No. 09/585172, filed on June 1, 2000, now abandoned and to afford Applicants the benefit of that priority date.

The reference required under 35 USC § 120 was unintentionally delayed from the time it was due until the date of this Petition.

Applicants' attorney hereby certifies, by his signature below that he was unaware of that the above patent application had been inadvertently omitted from the section entitled CROSS-REFERENCE TO RELATED APPLICATIONS upon the filing of the specification in the instant application.

Applicants' attorney further certifies that he became aware that the proper cross-reference was missing only on October 26, 2004, when he was preparing amendments to that part of the specification in response to the Examiner's objection in an office action dated May 28, 2004.
